## What's New with the Horned Lizard?

The Texas horned lizard (aka horned toad) is fondly remembered by Texans who, as kids, carted them

So how is the state reptile ["Helping Lizards on the Move"](#) not so good. The legislators are slouching the funds

You can show your support for the horned lizard by [sponsoring a license plate](#). Your license plate purchase helps support ["Helping Lizards on the Move"](#).

Each set of horned lizard license plates costs just \$30 and \$22 goes directly to help fund conservation
