Waterfowl Bag Limits Increase

For the first time in a half-century, Texas waterfowl hunters can take as many as [10 mallards](#) and [10 pintails](#) in a day, with a total bag limit of [20 birds](#). [Read the full story](#) and check out the [Texas Outdoors](#) [Back Bay](#) [Waterfowl Digest](#) article.

The increase comes with news of healthy waterfowl populations, with all species except pintail and [scaup](#).

Make the season an even brighter experience by avoiding common waterfowl hunting violations described [here](#).
