## 13 Steps to Catching a 13-Lb. Bass

Most anglers don't expect [this catch](#) a 13 lb. trophy bass and to be prepared as a Boy Scout.

[Check this map](#) to see what Texas water bodies have produced lunkers.

[Watch this video](#) about what happens to [Trophy Bass](#) if you choose to donate it to Texas Parks and Wildlife.

Remember any trophy bass deserves R-E-S-P-E-C-T from you and your fishing buddies while waiting for you to take a picture.
