Do you Know These Basic Fishing Knots?

A great fishing experience can depend on small things. Sometimes your best catch can hang by a – w

- [the improved clinch knot](#) – the most popular fisherman's knot
- [the uni knot](#) – basic and versatile
- [the arbor knot](#) – add line to your new fishing reel with this one
- [the surgeon's knot](#) – works great for tying together two lines of similar diameter.
